

Dr. Beverly Lubit is a Partner in the Intellectual Property practice group of a New York law firm. Dr. Lubit's practice focuses on Hatch-Waxman issues relating to both transactional and litigation matters, patent prosecution, litigation, opinion letters, Paragraph IV certifications, licensing matters, and IP due diligence, with a particular emphasis on life sciences. She is admitted to practice before the patent bar, the New Jersey and New York State bars, Eastern and Southern District of New York, District of New Jersey and the Court of Appeals for the Federal Circuit. Before embarking on a career in law, Dr. Lubit was an active scientist with appointments in the Departments of Microbiology, Physiology and Neuroscience at the University of Medicine and Dentistry of New Jersey where her research laboratory investigated the involvement of cytoskeletal proteins in neuromuscular and cardiovascular disease. Dr. Lubit received her J.D., *magna cum laude*, from New York Law School, where she served as the Executive Notes and Comments Editor for the *New York Law School Law Review*, and was a post-doctoral fellow in the neuroscience group headed by Nobel Laureate Eric Kandel. Dr. Lubit received her M.B.A. in Finance from Fairleigh Dickinson University, her M.A., M.Phil., and Ph.D. in Microbiology from Columbia University, and her B.A., *cum laude*, in Biology from New York University.
